Mrs. Ryerson has opened an ice cream parlor the first door north of Shaw's store, where she will serve the best of refreshments during the season.

Charlie Carr, of Liberal, stopped with the HERALD family Sunday and Monday enroute for New Mexico where he has been employed on the Aft—ranch.

We are indeed grateful to kind neighbors and especially to Dr. Linley and wife for the kindness extended to us and guests after the complete wreck of our home by the storm Monday.

Mrs. Fulkerson of Sharp's creek accompanied by her daughter Miss Phoebe Meeker, came down Sunday and made final proof Monday. Her witnesses, Lincoln Smith and Rob't. Meeker, were also in.

The schedule of the time of arrival and departure of the Meade stage has been changed and it now leaves Beaver at 6 o'clock a. m. and arrives at 10:30 p. m., giving us the benefit of the mail the same day it reaches Meade.

J. C. Hodge took his departure Friday morning for Monte Vista, Col. Mr. Hodge had the offer of three good positions but had not decided upon anything when he left. We wish him success in anything in the way of business he may engage in.

Mrs. C. O. Cummings, of Nunica, Mich. sends us a \$1.00 for the HERALD and writes that having made her home here once, she still feels interested in the welfare of the people and wishes to keep posted in the county affairs.

Daniel Forker, County Clerk of Stevens County, Kan., sends the wherewith for the HERALD a year. While we have been very thankful for all such favors in the past we are doubly so now that we have no roof over our heads, the severe wind of Monday having torn the roof from both our office and dwelling house.

The following account of the grand ball given by the Cimarron Supply Co., under the management of F. B. Drew, was sent us for publication and it indicates that the west end people are enjoying life up to the last notch:

The largest and most successful ball ever given in the history of western Oklahoma, was given by the Cimarron Supply Co. at Kanton April 2nd. The crowd began gathering at 5:30 and by 8 o'clock there were over a hundred gathered at the store of the Cimarron Supply Co. The fun seekers were led by J. W. Frim's string band to the spacious store room just completed by the above named Co. Messrs. Chas. Randolph and Wm. Cochran took command and the grand march was formed and was followed by a waltz, and so on until 11 o'clock, when everybody was led by "Pap" and "Auntie" Plaster to supper where all were served bountifully with fresh oysters and plenty of good things to eat. When everyone had finished, there was another rush for the ball room, where the revelry was carried on till broad daylight and the boys went home with the girls in the morning, after a vote of thanks to F. B. Drew for his hospitality.

Beaver presented a sorry appearance Tuesday morning after the storm. Many awnings were blown to pieces, several roofs destroyed, and the shingles and weather boarding blown from the buildings in large patches.

Photographer Steele of Meade is in town with a view to opening up a gallery here for a short time if a suitable building can be obtained.

A. M. Penno's building is on wheels and will probably reach its destination this evening.

T. L. Braidwood had two branches from his peach orchard on exhibition last Saturday: they were unusually full of blossom and as yet have not been damaged by frost.

NOTICE.

I will be in Beaver May 15th, to 27th, for the purpose of making portraits and views. If you wish the finest work of this kind that has ever been produced in this country improve this opportunity. SCRATCHED 3 YEARS

Suffered, Scratched, and Bled. Doctors No Relief. Cured by Two Sets Cuticura Remedies.

I wish to express my thanks for the benefit I have derived from using CUTICURA REMEDIES. Nothing like them was ever manufactured. For three years I suffered with a sore head. I would break out all over my head with pimples which would form a watery matter, and I would have to scratch until I would bleed. After doctoring with two dollars for three years, more or less, I finally made up my mind to try your CUTICURA REMEDIES, and I am entirely cured. I have recommended your remedy to several persons, and they all tell me they are No. 1. Our druggists are doing a nice business in CUTICURA REMEDIES, since my cure. I have given him the privilege of using my name as proof of their efficiency. I enclose my portrait.  
A. F. GRAMM, Photographer, Mt. Hope, W. Va.

My wife has been troubled with the salt rheum for four years. During this time doctors at Wisconsin, Illinois, and the most eminent doctors of Chicago, failed to give relief. I bought the CUTICURA REMEDIES, and also used only one box of CUTICURA. CUTICURA SOAP, and half a bottle of the CUTICURA RESOLVENT, and these have cured my wife completely.

Cuticura Resolvent  
The New Blood and Skin Purifier, Internally and Externally, the great skin cure, and CUTICURA SOAP, the exquisite skin beautifier, externally, instantly relieve and speedily cure every disease and humor of the skin, scurf, eczema, blood, with loss of hair, from infancy to age, from pimples to eczema.

Sold everywhere. Price, CUTICURA, 50c.; Soap, 25c.; Resolvent, \$1. Prepared by the PORTER, DICKS AND CUTICURA CO., LOWELL, MASS.

Stock Brands.

Every man with 50 head of cattle or upward should advertise his brand in this paper, and thus within a month, perhaps, regain stock which has been missing for weeks, and which he has given up as lost. Our circulation throughout this section is wide and steadily increasing, and your brand inserted in these columns will become familiar to the stockmen and settlers of the southwest, largely increasing your chances of regaining strayed or stolen stock. Send in your orders.

GREAT ROCK ISLAND ROUTE

TO THE EAST.

BEST DINING CAR SERVICE IN THE WORLD.  
The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved patterns.  
Faithful and capable management and polite, honest service from employees are important items. They are a double duty—to the Company and to travelers—and it is sometimes a task difficult of accomplishment. Passengers on this line will find little cause for complaint on that ground.

REMEMBER

The Great Rock Island Route runs all regular trains to Englewood suburban station, close to World's Fair grounds, and you can save time and trouble by getting off at that point and avoid the crowd in the city.
